

Library science talks

23rd season 2017

The Zentralbibliothek Zürich (ZB), the Association of International Librarians and Information Specialists (AILIS) and the CERN Scientific Information Service are pleased to announce their 2017 series of Library Science Talks. The series offers library and archive staff the possibility of learning from and communicating with personalities in libraries, archives and information services. The talks cover important and topical issues for information specialists.

“The rise and fall of the cataloguer’s empire: an update”

Daniel van Spanje, OCLC Leiden, the Netherlands
27 March in Geneva at WTO, 28 March in Zürich at ZB

“Dokk1: re-inventing space praxis”

Sidsel Bech-Petersen, Aarhus Public Libraries, Denmark
8 May in Geneva at HEPIA, 9 May in Zürich at ZB

“Open Access in Canada”

Gerald Beasley, University of Alberta Libraries, Canada
12 June in Geneva at CERN, 13 June in Zürich at ZB

“Leveraging VIAF in social networks and archival context”

Daniel V. Pitti – Institute for Advanced Technology in the Humanities, University of Virginia, US
11 September in Geneva at CERN, 12 September in Zürich at ZB

“Access to UN information in the digital era: reengineering the UN depository libraries programme”

Sherri Aldis, United Nations, New York, US
16 October in Geneva at UNOG, 17 October in Zürich at ZB

“Library associations: a call to action. National advocacy and the implementation of the SDGs (the 2030 Agenda of the United Nations)”

Jukka Relander, EBLIDA and Finnish Library Association, Finland
4 December in Geneva at ITU, 5 December in Zürich at ZB

For Zürich please register at:
<https://goo.gl/forms/sy64LAUtyj>

Presentations will be given twice: in Geneva at WTO, HEPIA, CERN, UNOG and ITU and in Zürich at Zentralbibliothek, always at 16:00.

All presentations will be in English and might be followed by a panel discussion with local experts in the subjects covered by the presentations.

The talks are open to all who are interested.

For the talk in Geneva at the World Trade Organization (WTO)

Guests should come to WTO with a valid photo ID and must register in advance (deadline: 23 March 2017) via link mentioned above for Geneva events.

For more information please contact:
email: web.librarian@wto.org
phone: 022.739.51.24.

For the talk in Geneva at Haute école du paysage, d’ingénierie et d’architecture (HEPIA)

The talk will be held in Hepia (Rue de la Prairie 4, 1202 Geneva) in room B119 (Building B, first floor). Free access, no ID is required to access the building.

For more information please contact:
email: david.decharte@hesge.ch
phone: 022 546 25 28

For the talk in Geneva at CERN

External guests should be at the CERN reception, Building 33, at 15:45 to be guided to the conference room.

For more information please contact :
email: tullio.basaglia@cern.ch
phone: 022-767.79.11.

For the talk in Geneva at UNOG Library

Guests not already in possession of a UN badge must register beforehand by sending an email to ailis.committee@gmail.com. Further information and directions will be provided upon registration.

For the talk in Geneva at the International Telecommunication Union (ITU)

Guests should come to ITU with a valid photo ID. Further information and directions to the conference room will be provided upon registration.

For more information please contact :

email: library@itu.int
phone: 022.730.69.00.

For the talks in Zürich at ZB

Talks start at 16:00.

For organisational reasons, guests are kindly requested to register in advance (deadline: previous day) via link mentioned above for Zürich.

For any questions please contact the ZB:
email: andrea.malits@zb.uzh.ch
phone: 044 268 31 30
